SPECIALIST

# An introduction to the Teka Group

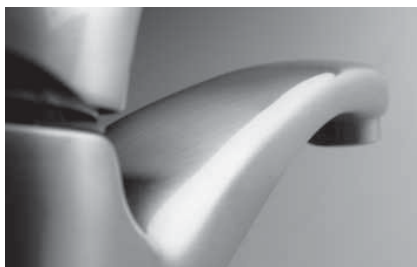

The Teka Group business areas range from domestic and professional equipment for kitchens and bathrooms, stainless steel storage containers to beverage kegs. The diversification is backed by ongoing investment, and research and development.

## Kitchen

Teka manufactures and sells synthetic, stainless steel sinks, kitchen taps and home appliances. The kitchen division is enhanced by the enamelling plant and the business generated by product personalisation.

- Sinks
- Kitchen taps
- Hobs
- Ovens and microwaves
- Coffee machines
- Hoods
- Dishwashers
- Refrigeration
- Laundry
- Kitchenettes

## Bathroom

Involvement in this business line is in response to the Group's strategic goal of becoming an integrated kitchen and bathroom equipment supplier. For Teka, sinks and taps are a single unit, and not just 2 complementary products.

- Single lever mixers
- Dual hand mixers
- Thermostatic mixers
- Self closing taps
- Shower panels and accessories
- Cartridges

## Washroom

Teka manufactures a complete programme of washroom systems and sanitary equipment for both public and private use, as well as design accessories.

- Toilets, urinals and accessories
- Hand wash basins
- Wash troughs and accessories
- Dispensers, containers and accessories
- Grab bars
- Shower equipment
- Taps
- Drinking fountains
- Utility and bucket sinks

## Professional kitchen

This division manufactures professional cooking and catering equipment for hotels, restaurants and canteens. Focused on quality products, designed and tested for continuous heavy-duty use.

Products are made up to customer specifications, but can be grouped into 5 main categories...

- Modular cooking units
- Convection and steam ovens
- Servery and catering equipment
- Stainless steel furniture
- Mobile kitchens

## Beverage and gas containers

This business division manufactures beverage kegs and gas containers like butane bottles for home or professional use.

- Beverage kegs
- Gas containers
- Preparation and distribution equipment
- Cold equipment
- Cooking equipment
- Hot-pressing slugs

## Industrial containers

The product range is as varied as customers' requirements. The common denominator is the use of stainless steel for the manufacture of freight containers that must be carefully calibrated, especially as the materials to be carried or stored may be hazardous.

- Large tanks
- Pressure vessels for liquids
- Storage silos
- Vacuum-wrapping systems

## The Teka Kitchen Division

In kitchens Teka numbers amongst the leading sink and built-in appliance brands, manufacturing high quality home appliances, commercial equipment and kitchen sinks.

It is one of the world's largest producers of kitchen sinks and the only technology manufacturer in today's market, offering a fully integrated range, i.e., we can fit your kitchen from end to end with Teka brand equipment.

The Teka Kitchen Division runs a sales network that takes the Teka brand to every corner of the planet. The Group companies supply Teka sinks and built-in kitchen appliances to 127 countries in 5 continents.

Behind every Teka appliance is the knowledge and skill of the true specialist and over 85 years of experience.

### The Teka brand

One of Teka's main commitments is towards the enhancement of brand awareness, as an intangible added value.

Hence our active involvement for over two decades in promotional events and sports sponsorship, in which Teka is a pioneer.

In recent years, Teka has supported teams in a range of sports like cycling (from 1976 to 1990), handball (between

1989 and 2005) and football (from 1994 to the present).

Probably our largest, most successful sponsorship deal was with Real Madrid F.C. So close was the partnership between these two international names that it's almost impossible to recall a Real Madrid championship win without the Teka logo on the players' shirts.

# Multifunction Ovens and Microwave

## HE575

Single fan oven

56 litres

### Oven Functions

Multifunction oven with turbo fan  
4 cooking functions  
Electronic timer with start/stop function  
Digital display  
Double glazed door  
Cavity with crystal clean enamel  
Stainless steel - fingerprint proof

### Energy

Energy Rating A

€285.00 EMC €5.00  
TOTAL €290.00

## A-OHA830/SS

Single fan oven

56 litres

### Oven Functions

Multifunction oven  
5 cooking functions  
3 button digital timer  
Oven Features  
Fingerprint proof stainless steel

## UN-BIM38S

Microwave 800 watts

### Microwave Features

Capacity 18 Litres  
Minute minder, max of 60 minutes  
Automatic defrost by time & weight  
Stainless steel inner cavity  
5 microwave power levels

TOTAL €295.00

# Gas Hobs and Ceramic Hobs

## GKST80GB SELECT 80cm ceramic hob

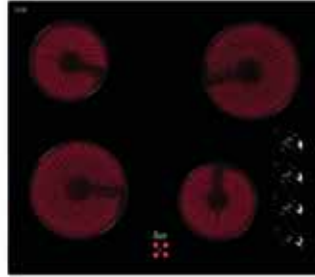

Hob Features

- Touch control
- Bevelled glass
- Dimensions : 800 x 520mm
- Digital programming
- Acoustic sensor and security blocking
- Stop & go function
- 4 cooking zones
- 1 \* high light triple element
- 1 \* extendable zone
- 2 \* high light element
- Max nominal power 7,700 Watt

TOTAL €635.00

## HVL60 60cm ceramic hob

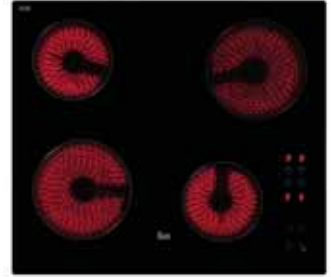

Hob Features

- Ceramic hob
- Lateral knob controls
- Dimensions - 580mm x 510 mm
- Bevelled glass
- 2 highlight zones 180mm Ø
- 2 highlight zones 140mm Ø
- Residual heat indicators
- Max nominal power 6,300 Watt

TOTAL €239.00

## TCL4H 60cm touch control hob

Hob Features

- Ceramic hob
- Fully touch control
- Dimensions - 580mm x 510mm
- Bevelled glass
- 2 highlight zones 180mm Ø
- 2 highlight zones 140mm Ø
- Residual heat indicators
- Max nominal power 6,500 Watt

TOTAL €299.00

## HLX4P 60cm 4 zone solid plate hob

Hob Features

- Solid plate electric hob
- Lateral knobs
- Stainless steel
- 2 x 180mm Ø zones
- 2 x 145mm Ø zones

TOTAL €143.00

## HLX4GAIAL 60cm 4 ring gas hob

Hob Features

- Gas hob - stainless steel
- Flame failure device
- Lateral knobs
- Auto ignition
- Enamel pan support
- 1 fast burner 3.0kW
- 2 semi fast 1.75kW
- 1 auxiliary 1.0kW

TOTAL €160.00

## A-EX 70 4G AI AL 70cm 4 ring gas hob

Hob Features

- Frontal control knobs
- Cast iron supports
- Triple ring burner
- Flame failure device
- 1 - triple ring burner 3.1Kw
- 1 - fast burner 2.8Kw
- 2 - semi fast burner 1.75Kw
- 1 - auxillary burner 1 Kw

TOTAL €285.00

## CGLUX70 5 Ring Gas Burner

Hob Features

- Gas on glass hob - 70cm
- Frameless
- Flame failure device
- Auto ignition
- 5 cooking zones:
- 2 fast burner 3.0kW
- 2 semi fast burners 1.75kW
- 1 auxiliary burner 1kW

TOTAL €395.00

## A-EX60 4 Ring Gas Burner

Hob Features

- Frontal control knobs
- Cast iron supports
- 1 - fast burner 2.8Kw
- 2 - semi fast burner 1.75Kw
- 1 - auxillary burner 1 kW
- Auto ignition
- Flame failure device

TOTAL €225.00

## CGLUX60 4 Ring Gas Burner

Hob Features

- Gas on glass hob - 60cm
- Flame failure device
- Auto ignition
- Frameless
- 4 cooking zones:
- 1 fast burner 3.0kW
- 2 semi fast burners 1.75kW
- 1 auxiliary burner 1kW

TOTAL €320.00

## Induction Hobs and Hoods

**IR641**  
60cm induction hob

**Hob Features**

- Touch control panel
- Bevelled glass
- Dimensions 600 x 510mm
- Residual heat indicators
- Digital programming
- Pan detector
- 1 x 210 mm Ø induction
- 2 x 180 mm Ø induction
- 1 x 145 mm Ø induction
- Max nominal power 6,400 Watt

TOTAL €495.00

**GKST80i4**  
80cm induction hob

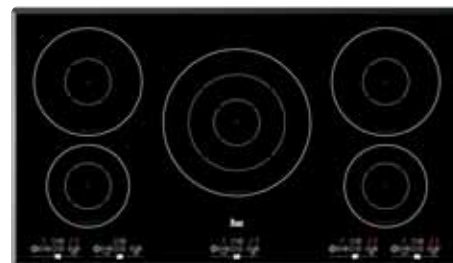

**Hood Features**

- Touch control
- Bevelled glass
- Dimensions 800 x 520mm
- Acoustic sensor & security blocking
- Digital programming
- Pan detection

**\*2 years parts and labour warranty only on free-standing appliances**  
**Free - standing not included in the 5 years parts and labour deal**

## 5 for 5

All Teka appliances carry a 24 month full parts and labour guarantee. However, if you purchase a set of appliances consisting of at least 5 appliances this guarantee increases to an incredible 5 years parts and labour guarantee.

(Terms and conditions apply)

## Built-in peace of mind with Teka

A full five year parts and labour warranty is available with all Teka built-in appliances. As standard, all Teka appliances come with a two year parts and labour warranty. With built-in appliances this two year warranty can be extended to five years, as follows:

1. When 5 appliances are purchased the warranty is extended from two years to 5 years Free of Charge.

To qualify for the free 5 year extended warranty all five or more appliances must be purchased at the same time. In all cases the extended warranty must be registered with Teka Products Limited. The onus for registration of the extended warranty is with the end user. A Teka Products Limited extended warranty registration form must be completed and sent directly to KKS Kontinental Kitchen Supplies along with proof of purchase.

The end user must register the five year warranty with Teka Product Ltd / KKS within 30 days of purchase. The extended five year warranty scheme applies to all built-in appliances but it does not apply to Teka free-standing appliances.
