Waste Bins

Tandembox Bin

Worked in conjunction with Blum Tandembox (See page 1.06), the Tandembox bin offers a complete program from cabinet widths 400 - 600 mm and capacities from 30 litres to 84 litres.

Tandembox Bin

The Tandembox bin requires the separate purchase of a Blumotion Tandembox drawer 500 mm depth with the appropriate width steel back (see page I.06). Depending on the height of the door you can fit an inner drawer for storage of bin liners and cleaning utensils.

Waste Bins

Pullboy Bin

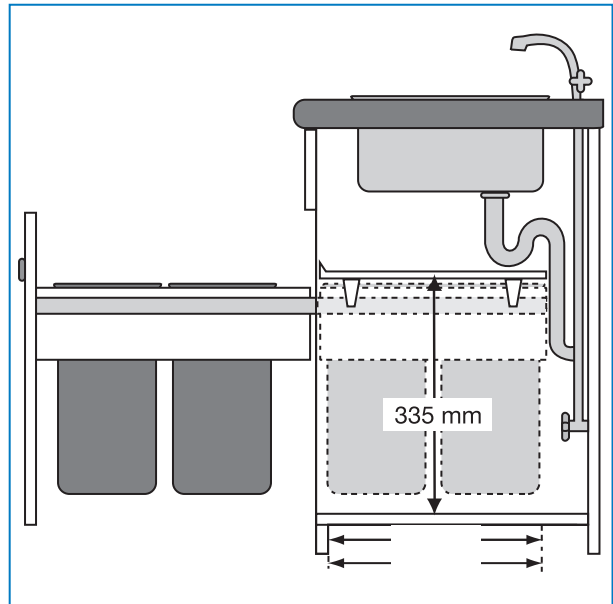

With a low height and shallow depth, the Pullboy bin is the ideal solution for installation in a sink unit.

Pullboy Bin

The simple easy glide ball bearing runners insure smooth running and easy assembly with a 30 kg weight capacity.

The low height option of 335 mm with a depth of 400 mm insures the bin fits below all standard sink units.
Note: Runner length is 460 mm

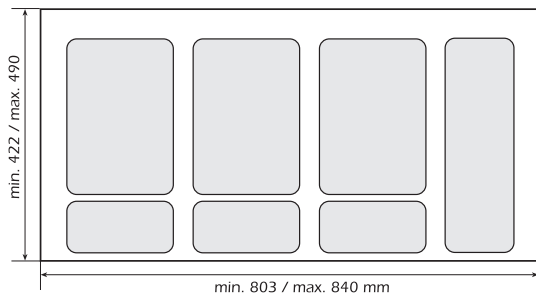

The Pullboy Bin and liners are easily removed for cleaning.
